VERDER IOT IS COMPATIBLE WITH ALL DEVICES THAT ARE RUNNING ON THE QPIX PLATFORM

The connectivity is already built into your device!

To access it all you have to do is:

1. **CONNECT — Connect to the IoT platform**
2. **UPDATE — Update your device**
3. **EMPOWER — Empower yourself to take advantage of all the efficiencies of our IoT platform**

EXPERIENCE THE FULL POTENTIAL OF YOUR DEVICE WITH IOT

ELEVATE YOUR QATM HARDNESS TESTERS WITH VERDER SCIENTIFIC IOT

Imagine a world where your QATM hardness testers not only perform their core functions but also seamlessly connect and communicate like never before. This is precisely what our Verder Scientific IoT platform offers.

Integrate your QATM hardness testers into the Verder Scientific IoT platform to experience an elevated level of functionality and connectivity that demands your attention.

HIGHLIGHTS
IOT.VERDER-SCIENTIFIC.COM

REAL-TIME MONITORING
Gain unparalleled insights into the status of your machines from anywhere, at any time. Our platform empowers you with instant access to critical data.

LIVE NOTIFICATIONS
Stay informed with immediate alerts and updates. Receive live notifications, ensuring you're always in the loop about your equipment's performance.

EFFORTLESS BACKUP
Simplify data protection with our platform. Whether you need to back up one device or an entire fleet, safeguard your data effortlessly and minimize downtime.

AUTOMATIC SOFTWARE UPDATES
Bid farewell to manual updates! Verder Scientific IoT ensures your machine's software is consistently up-to-date, optimizing performance and reliability.

MICROSOFT'S ROBUST CLOUD INFRASTRUCTURE
Deploying IoT solutions on Microsoft's cloud infrastructure not only ensures rapid data processing and analytics, but also guarantees the highest levels of data security.

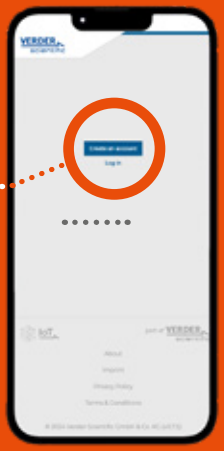

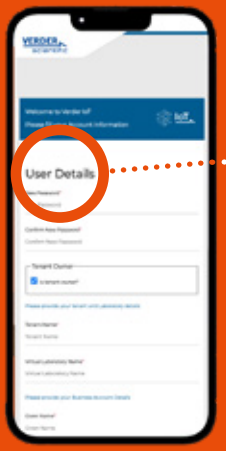

HOW TO GET STARTED
IOT.VERDER-SCIENTIFIC.COM

Download on the App Store

Create an account

Scan the QR code, **download the app** or visit **iot.verder-scientific.com** to create your account in a matter of minutes.

Set up your tenant and lab

Establish your tenant and **virtual laboratories** instantly upon account creation. **Invite your colleagues** and **start collaborating** immediately.

Update and connect your device

Connect your device using our **device connection wizard**. Ensure your device is running the latest software by **updating it effortlessly**.
